- handling of refrigerants taking into consideration environmental compatibility,
- collection of technical data and updating of technical documentations,
- appropriate written and oral command of language and mode of expression as well as use of job-related foreign language

#### 4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE <sup>(3)</sup>

#### Range of occupations:

Employment in workshops of craft enterprises, manufacturing halls of industrial enterprises, as well as directly on site at the customers' building site.

#### Pursuit of regulated professions on a self-employed basis:

Qualifications pursuant to the 1994 *Gewerbeordnung* (Crafts, Trade, Service and Industry Act): The crafts, services and trades regulated on the basis of the 2002 Amendment to the *Gewerbeordnung* are subject to the provisions of the *Gewerbeordnung* on the furnishing of certificates of competency as contained in the respective regulations. Final apprenticeship examinations completed successfully replace, in particular, those parts of the master craftsperson examination which relate to subject-specific skills and competences in the various crafts and trades.

(3) if applicable

#### (\*) Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. These explanatory notes refer to the Decision (EU) 2018/646 of the European Parliament and of the Council of 18 April 2018 on a common framework for the provision of better services for skills and qualifications (Europass).

More information on Europass is available at: <u>http://europass.cedefop.eu</u> or <u>www.europass.at</u>

	OF THE CERTIFICATE
Name and status of the body awarding the certificate	Name and status of the national/regional authority providing accreditation/recognition of the certificate
Lehrlingsstelle der Wirtschaftskammer (Apprenticeship Office of the Economic Chamber; for the	Bundesministerium für Arbeit und Wirtschaft
address, see certificate)	(Federal Ministry of Labour and Economy)
Level of the certificate (national or international)	Grading scale / Pass requirements
EQF/NQF 4 ISCED 35	Overall performance: Pass with Distinction Good Pass Pass Fail
Access to next level of education/training	International agreements
Access to the <i>Berufsreifeprüfung</i> (i.e. certificate providing university access for skilled workers) or a VET college for people under employment. Access to courses at a <i>Fachhochschule</i> (i.e. university level study programme of at least three years' duration with vocational-technical orientation); additional examinations must be taken if the educational objective of the respective course requires it. <b>Legal basis</b>	International agreements on the mutual recognition of apprenticeship trades have been concluded between Germany, Hungary, the South Tyrol and Austria.
